NOTICE OF APPEAL UNDER 37 C.F.R. § 41.31 FROM THE DECISION OF THE EXAMINER TO THE BOARD OF PATENT APPEALS AND INTERFERENCES

Applicant hereby appeals to the Board of Appeals and Interferences from the final decision, dated May 3, 2007, of the Examiner finally rejecting claims 1-28 of the above-referenced application.

Appellant respectfully notes that the fee for a previous Notice of Appeal has already been paid with respect to this application. Particularly, a fee of \$500.00 was previously paid in connection with the Notice of Appeal filed on March 28, 2006. Further, this previous appeal did not result in a final Board decision. Accordingly, Appellant respectfully submits that the fee paid for the previous Notice of Appeal should be applied to the instant Notice of Appeal, and believes that no additional fee is due for the present filing. However, should any additional fees be required to advance prosecution of the present application, the Commissioner is authorized to charge such additional fees to Deposit Account No. 06-1315; Order No. ALBR:0088.

General Authorization for Extensions of Time

In accordance with 37 C.F.R. § 1.136, Appellant hereby provides a general authorization to treat this and any future reply requiring an extension of time as incorporating a request therefor. Furthermore, Appellant authorizes the Commissioner to charge the appropriate fee for any extension of time to Deposit Account No. 06-1315, Order No. ALBR:0088.

Respectfully submitted,

Date: August 3, 2007
